College of Engineering

Vision
Top College of Engineering offering professional engineering education and driving innovations

Mission
- To foster career development of students
- To promote impactful innovations
- To gain industry and global recognition

Academic Units
Department of Architecture and Civil Engineering (ACE)
Department of Biomedical Engineering (BME)
Department of Computer Science (CS)
Department of Electrical Engineering (EE)
Department of Materials Science and Engineering (MSE)
Department of Mechanical Engineering (MNE)
Department of Systems Engineering and Engineering Management (SEEM)
Division of Building Science and Technology (BST)

Number of Students (as of April 2020)
- Associate Degree: ~470
- Bachelor's Degree: ~3,230
- Postgraduate Degree: ~1,760
